Terms and Conditions

Please note that Samtec's Terms and Conditions of Manufacturing at <https://www.samtec.com/about/legal#samtecterms> have been updated, effective for all purchase orders accepted by Samtec on and after 9 April 2020.

A Note About Samtec's Liability

Samtec is pleased to offer an Express Limited Product Warranty, the details of which can be found in Samtec's Terms and Conditions for Manufacturing at <https://www.samtec.com/about/legal#samtecterms>. However, please be aware that Samtec is not responsible for incidental, consequential, indirect, or special damages arising out of any purchase order. This includes, but is not limited to, claims for lost profits, loss of use, loss of data, and costs of installation and rework.

Purchase Orders for All Parts

Except as provided below for A - Parts, all purchase orders(a "PO") are accepted subject exclusively to Samtec's Terms and Conditions for Manufacturing at <https://www.samtec.com/about/legal#samtecterms>. Any other terms and conditions in any other document, including, but not limited to, any PO are hereby rejected by Samtec, provided that pricing, payment, and freight terms will be as set out in the PO.

Purchase Orders for A - Parts

Purchase orders(a "PO") for A - Parts are accepted subject exclusively to(1) Samtec's Terms and Conditions for Manufacturing at <https://www.samtec.com/about/legal#samtecterms>, (2) the terms set out herein, and (3) the applicable Samtec Quote (together, the "Terms"). Any terms and conditions in any other document, including, but not limited to, any PO which are contrary to the Terms are hereby rejected by Samtec, provided that pricing, payment, and freight terms will be as set out in the PO. Samtec will manufacture A- Parts in compliance with the International Automotive Task Force ("IATF") Level 3 Production Part Approval Process ("PPAP"). In accordance with applicable IATF published standards, by submitting a PO for A- Parts for which the PPAP is designated as "pending" in the Quote Customer waives any requirement, and releases Samtec from any responsibility, to comply with any customer specific requirements or to obtain an executed PPAP Part Submission Warrant for such A- Parts prior to production and shipment. Samtec does not warrant compliance with laws or regulations of any country other than the countries of origin and shipment destination listed on the PO. Please contact the Samtec Automotive Order Group at 800-726-8329 with any questions.

Date: January 26, 2021

Effective May 1st, 2020 the buyer may not cancel any purchase order or pushout the deliveries for Products after Seller's acceptance of the purchase order within sixty(60) days of the due date. Modifications in schedule made by Seller will not affect customer pricing.

(See Price and Schedule Changes, at <https://www.samtec.com/about/legal#samtecterms>).

Certain products such as High Data Rate(HDR) Cable, Optical Cable, Glass Core Technologies and Custom Products will be reviewed on a case by case basis, due to pipelined materials.

These changes supersede any and all prior Samtec policies and customer contracts that are currently in effect and will continue to apply until further notice.
